YEARBOOK

TODAYS MINUTES are

The Future is what you make it.

TOMORROW'S HOURS

Term paper due this week . . . study for exams . . . research for panel report . . . game tomorrow. Over and over these things come up in our minds, and we find ourselves asking, How can we ever find the time to get everything done? We realize that school must come first, and it doesn't matter so much what we learn there, as to how we learn it.

Remembering this will help us in the growth and development of mind, soul and personality. For as the minutes tick away into hours, we too await the strength that evolves from a stable Catholic atmosphere. Truly Saint John's prepares us to encounter the world with our eyes wide open.

HERITAGE—OLD and NEW

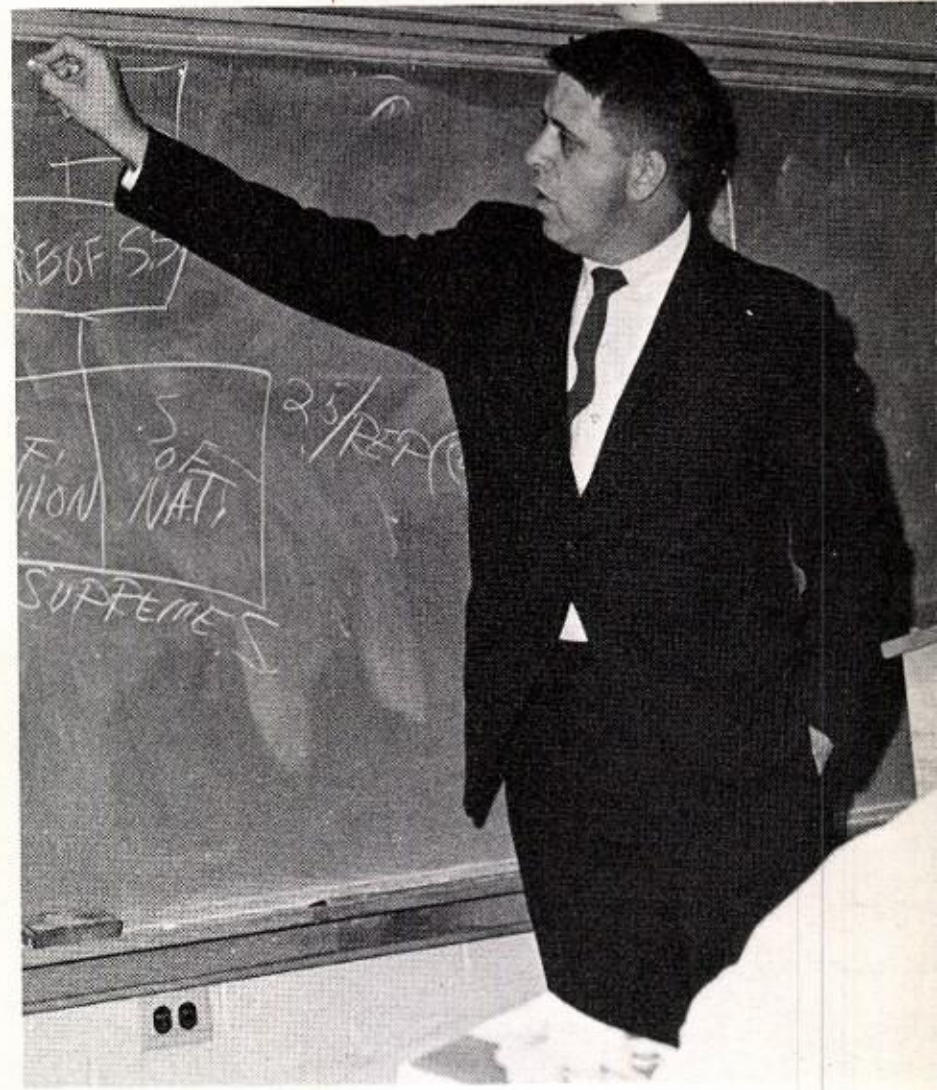

St. John's High School was formed in 1888, with her first small classes molding a substantial foundation for an institution that has since offered such splendid material both to God and to man. Since that time, many changes have occurred not only to the outside structure but also to the expanding educational structure. The superb attributes, however, have remained unchanged in the life of school, being deep-rooted in all that is good and holy.

The recent addition to a student curriculum is the fulfillment of the courses in which they pursue in the future. The "shared time" plan at Parkside, Jackson High and Jackson Junior College has been carried through and is quite a singular event. Everyone is happy at the success this system has proven.

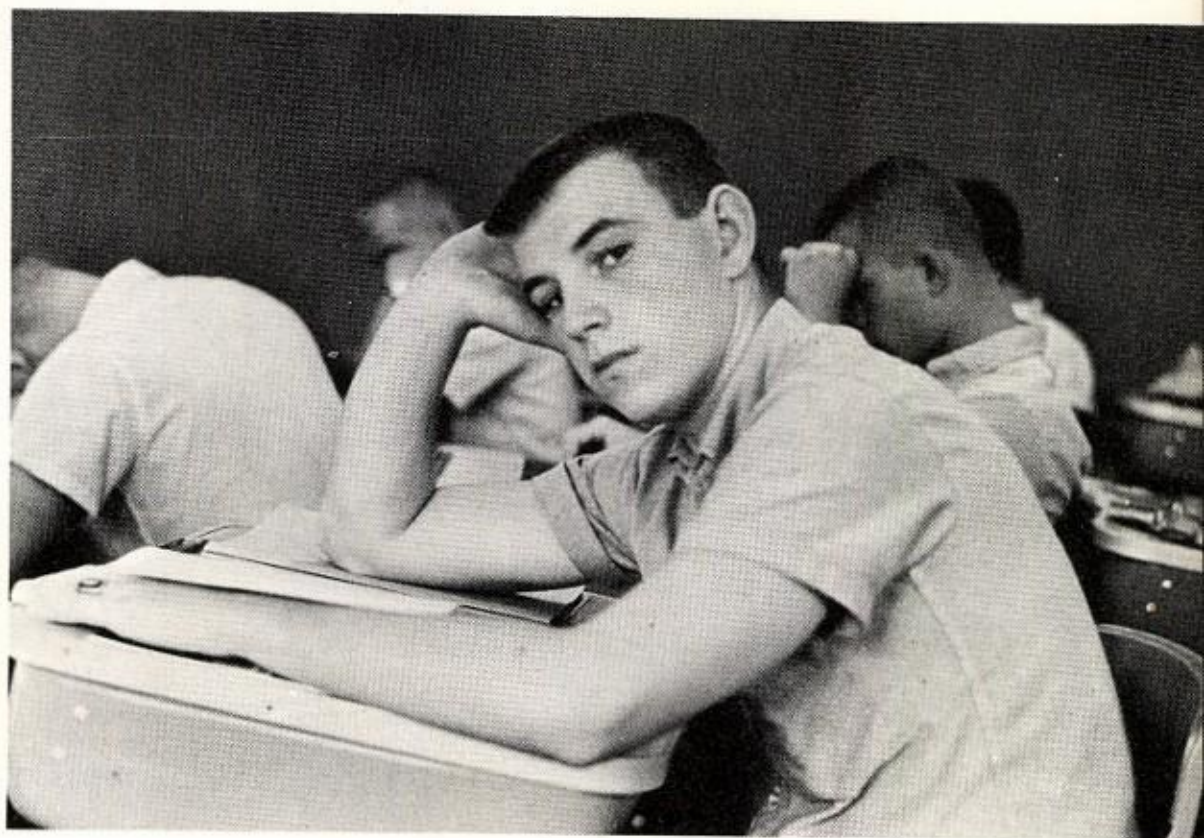

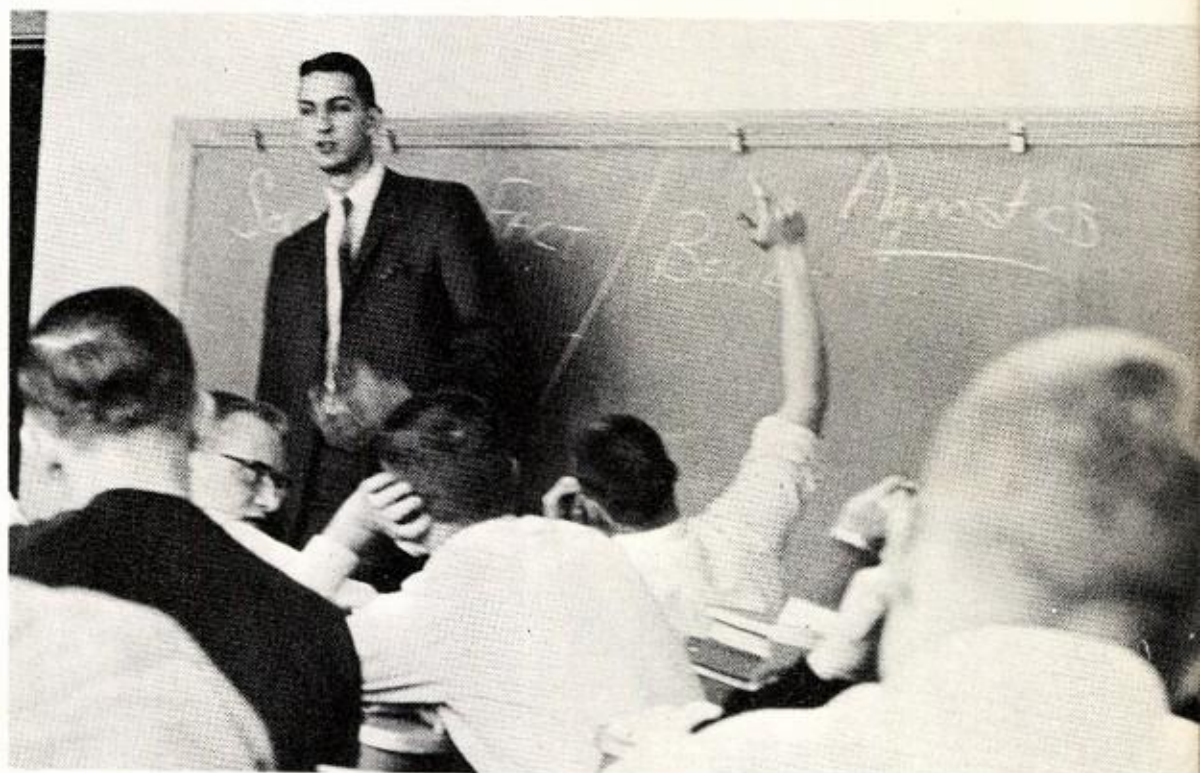

Minutes Drag By

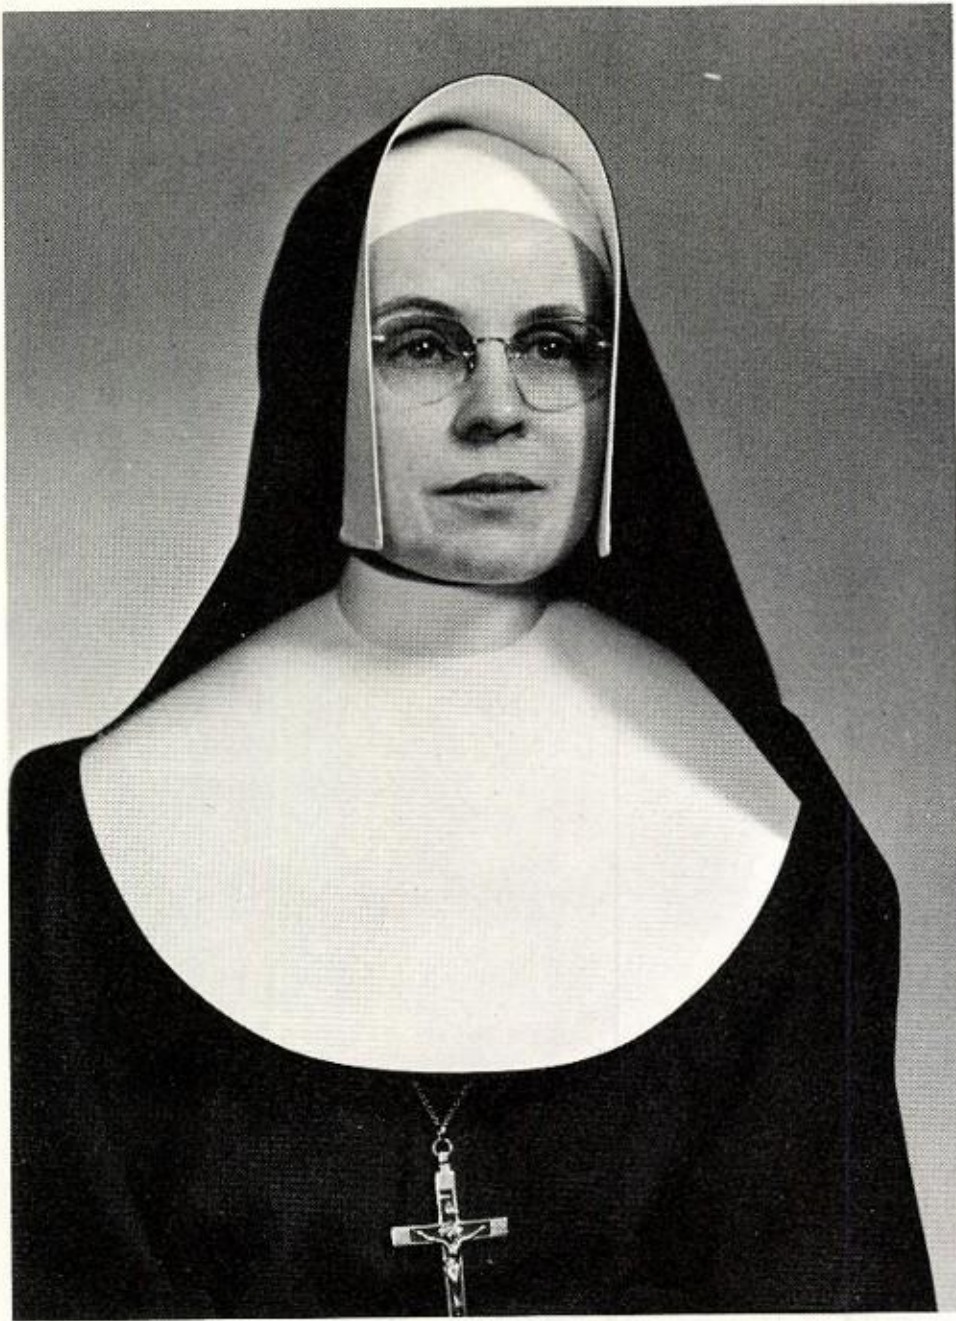

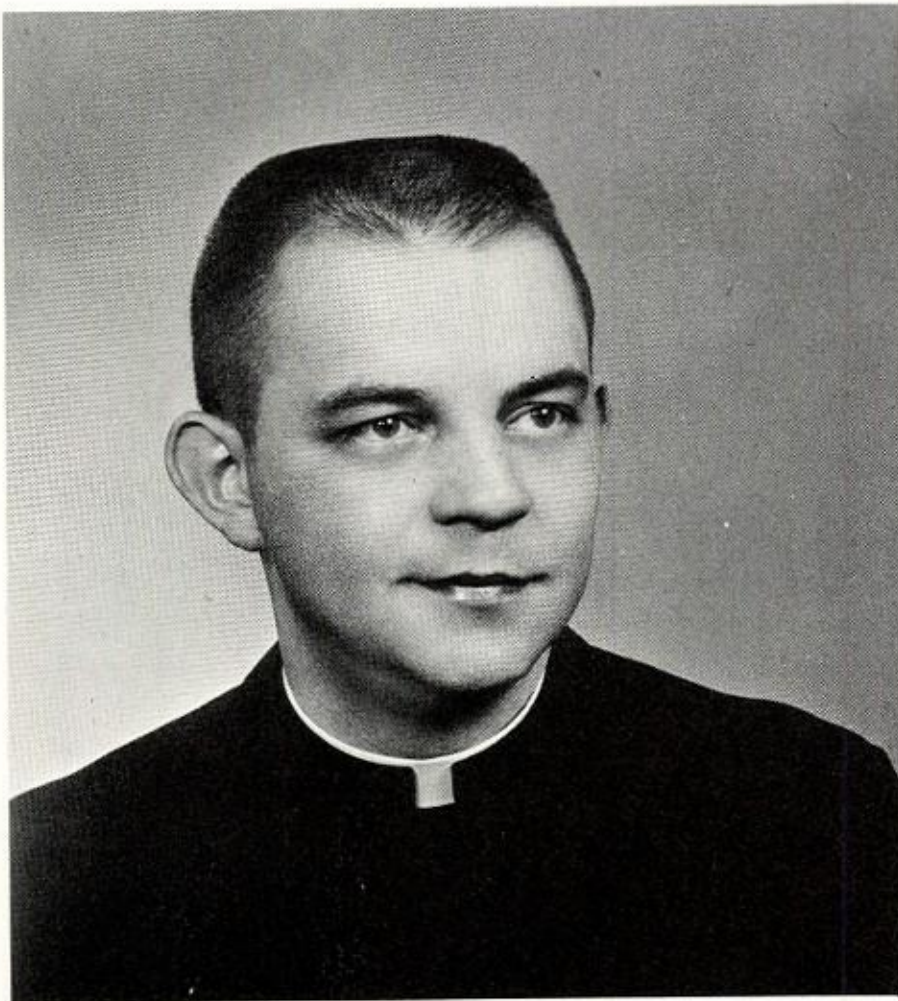

For ages man has studied volume upon volume of literature in an effort to satisfy his quest for knowledge. In our agitated school life, learning may not always seem to be as exciting as we would like. At times classes may tend to become monotonous and we are tempted to wish that there be some other way in which man can become cultured. But we are all aware that only through the perserverance of the daily rituals such as attention, understanding and homework are we able to achieve the goals that can be ours.

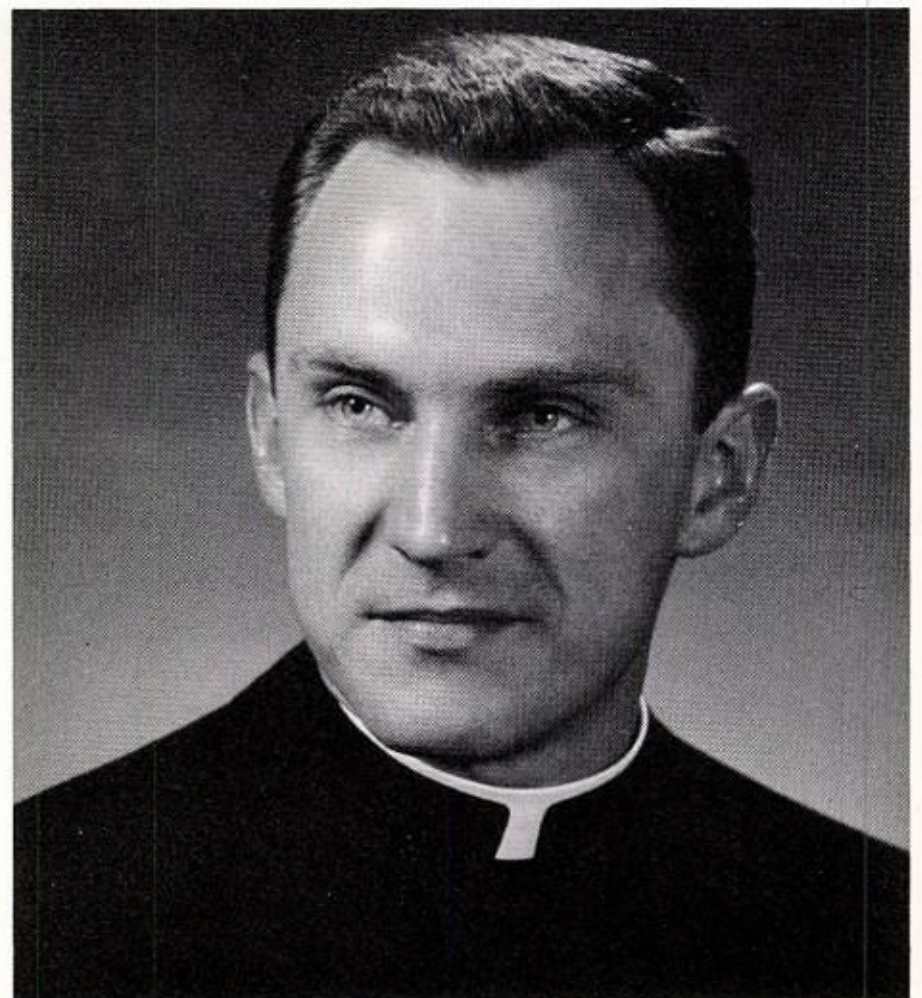

Around the Clock Guidance

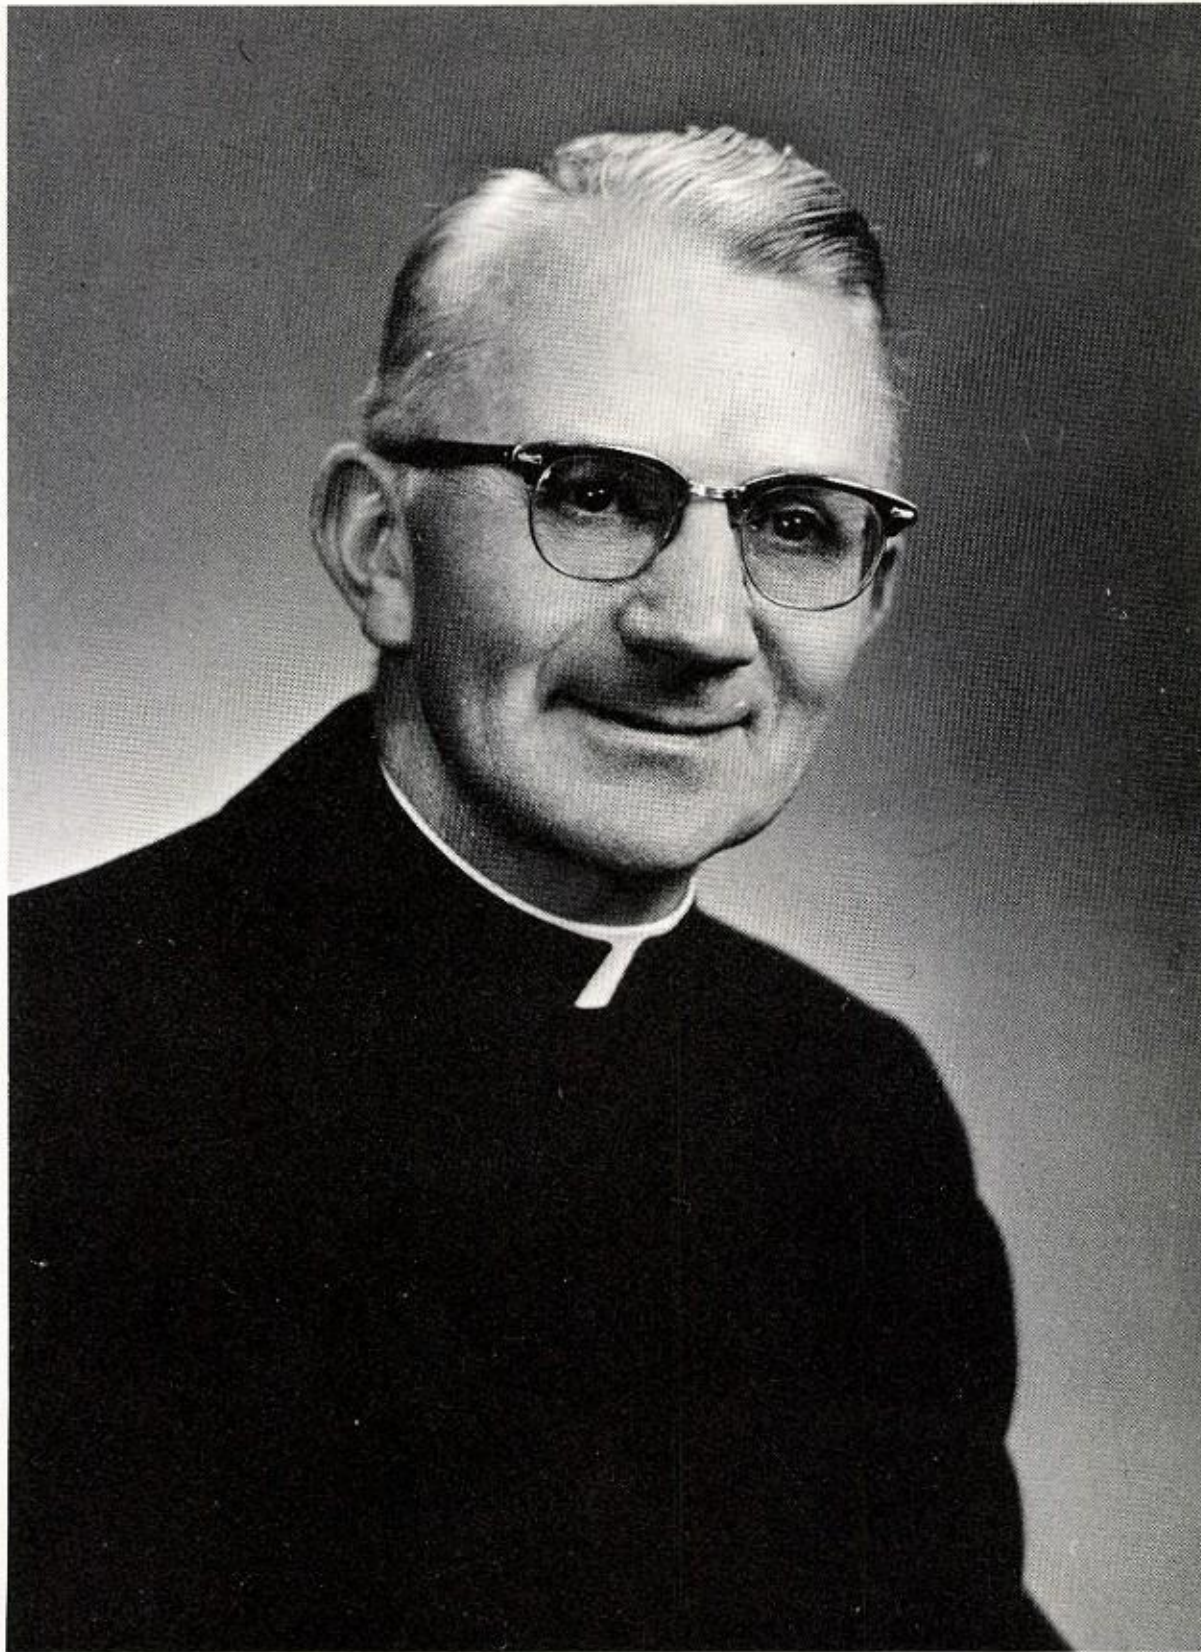

Mother Mary Frederick

Reverend Darius Wyszinski

Reverend Joseph Labiak

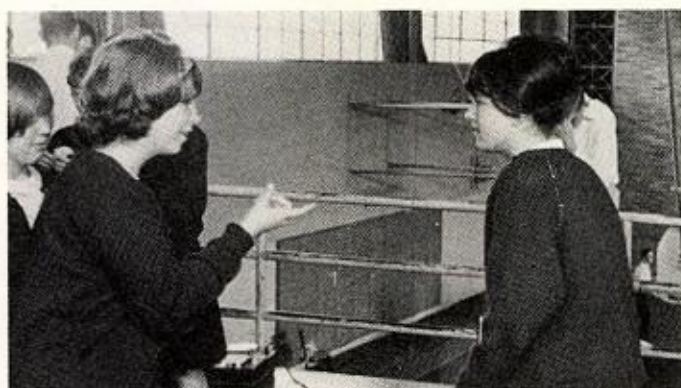

Reverend Adolph Oser

Advice or discipline, encouragement or mortification, our administration is there stationed on duty for us whenever we beckon. It is as if each teaching and guiding member of St. John's is an officer in God's legion on earth, constantly directing others, as is the code of their chosen mission. And it is for this reason that we look to them, trying to follow the example that they lay before our very eyes each

and every day while we are in school. As their charges, we can only hope and pray that what we have learned from their inspiring expectations of us, will not be forgotten when we are out on our own. For surely, even though we seldom voice our thanks, all students are deeply grateful to them and the constant concern they give us. May God bless you always.

UNDERCLASSMEN

The underclassmen are given the responsibility of the traditions which will be carried on for many, many years to come. Games, parties, studies, and dances are all important events of the school year which add to the fast-moving life of a St. John student. The minutes fly and the years go by, but we'll always remember our high school years.

ACTIVITIES

The world outside the classroom is often just as important as the one inside. With active outside interests through extracurricular activities, students become well-rounded and alert.

Behind the scenes of the Gaels' activities, lay hours of planning on the part of officers, leaders, and committees. All in all, the effort put into these affairs is well worth it.

YCS tries to do two things: 1) TO FORM CHRISTIAN LEADERS and 2) TO CHRISTIANIZE SOCIETY. Never forget those two reasons for the existence of YCS. Actually, the two go together in practice. We only separate them to talk about them. Both must be present in YCS. If they are not, our YCS groups will be like a bicycle with only one wheel, or a clock with only one hand.

That Was The Week That Was!

Sister Eustace was in wonderment, after entering the school, as how to leave it.

The flu epidemic started everything. To give the students a chance to recover, it was decided to close school Monday Fed. 22. Circumstances dictated that this closing be extended to Tuesday. Wednesday came and school reopened. Instead of regular classes, the faculty had planned another of the Days of Recollection. Thursday dawned and the city found itself trapped under a 9-inch blanket of snow—the most in recent history. Friday conditions were not much improved. Traffic was still at a standstill and school was still closed. The students found this improbable series of events much to their liking, but if the faculty has it's way, it won't happen again.

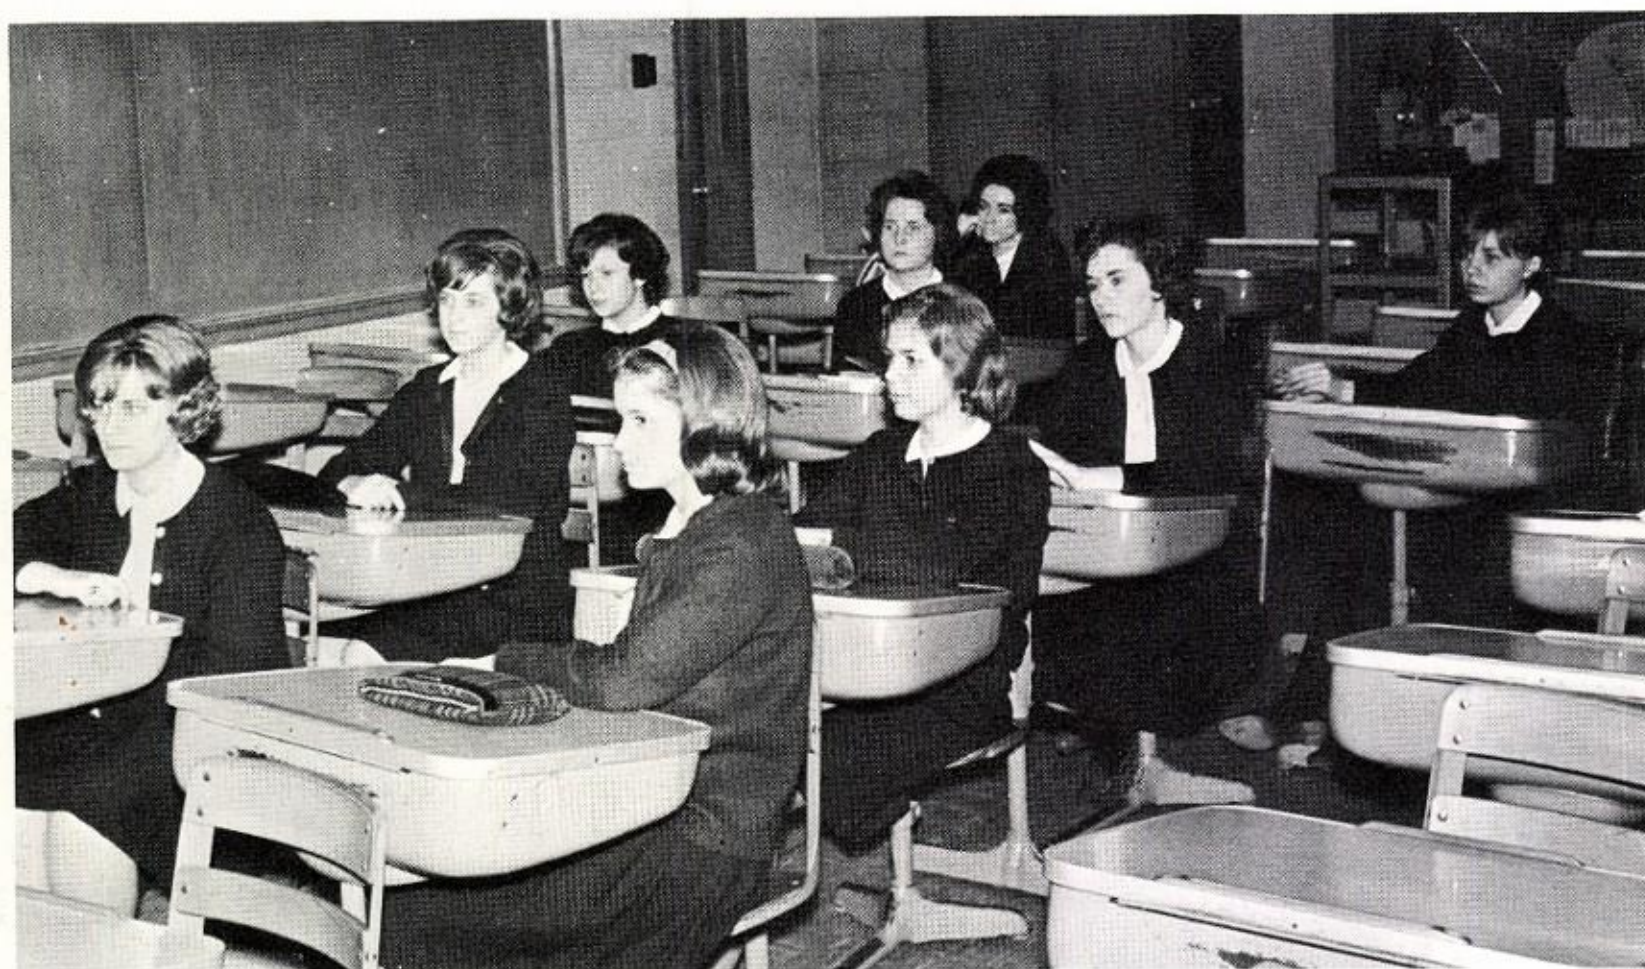

The flu laid many students low.

Future Teachers' Club

Nancy Crego, Pat Jordan, and Kathy Zuehlke are learning now the thrills of their future career.

C. Norkey, S. Lapinski, C. Gutowski, and M. Wasielewski use new Spanish books to get background for their projects. These girls also belong to the Spanish Club.

Quill & Scroll

The Quill and Scroll is the International Honorary Society for High School Journalists. It exists to reward the individual student for meritorious work done in the field of publications. The officers for the St. John's chapter are: President; D. Lankford, Vice-President; T. Yocum, Secretary; A. Karazim and Treasurer; D. Swain.

Mock Election '64

Because of the great national election held this year, high school students decided to stage their own candidate-survey race to not only better understand the inner workings of political balloting, but to perhaps predict an outcome for the presidency. Sister Rosary, who organized the event, was especially eager to learn the results. Mr. Johnson led Mr. Goldwater all the way with a 5 to 1 victory.

Senior girls from Government class took over as ballotting officials.

Students had to finish their snacks quickly before going into voting booths.

Homecoming

Homecoming will always loom as a big and important night for all. This year was no exception. From the choosing of royal candidates to the last good-bye at the dance, smiles flashed abundantly, slaps on the back given energetically, and warm congratulations bestowed proudly. We were proud of everyone—our queen and king, their attendants, and our football team for giving their all-out best against Albion.

King and Queen of Hearts

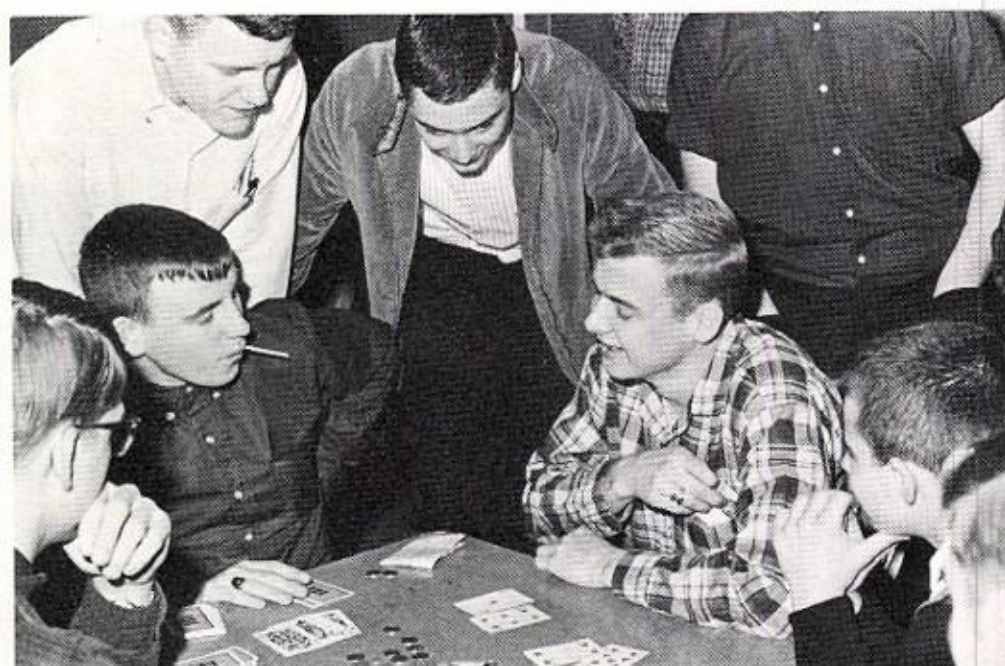

The 1965 "How Big is Your Heart" day was a rousing success. Over \$1500 was raised for the missions through the whole-hearted support of the high school students. Never was giving so painless. The various games and activities provided a welcome respite from the usual hum drum of studies. All in all, the day was profitable in every way.

"Singing in the Rain"

We could have danced until dawn.

The Junior-Senior prom is always the social event of the school year. On the night of April 1, 1964 the Class of '65 presented "Singing in the Rain." Although everyone was afraid that it would rain; the weather was beautiful. The Juniors' many hours of hard work paid off, and the decorations were

artistic. The main attractions were—a fountain in the center of the gym banked with ferns and grass; the stage was a furnished parlor, and suspended from the ceiling were tiny frilled parasols. From beginning to end, the Prom imparted everyone with many happy memories.

Sister Stella

A Tribute to Sister Stella

We wish to show our appreciation to Sister Stella for the many years she has served as junior advisor in our school, by presenting a small résumé of proms in which she played the most important role of making them a success.

Through her foresight and organization every junior class owes her a debt of gratitude which cannot be expressed by word alone. In order to extend our full acclamation, this page is dedicated to you, Sister Stella. Thank you!

Gael-Celt Week Ignites Spirit

Have we lost our spirit? That was the question in the minds of many Gaels during the week of the Saint Mary's game. After the seniors reminded the underclassmen just what the true spirit really was, all Gaels pooled their pep and loyalty proving that this renewed fidelity is the genuine tone of our school, not only during Gael-Celt week, but every moment of every day.

We kept out "little brown Jug" and the traditional Bell clearly resounded up and down our halls.

GAEL'S SCOREBOARD

St. John		Opponents
37	Okemos	13
14	Tecumseh	0
26	Kalamazoo Hackett	19
12	Sylvania	6
0	Albion	13
13	Ludington	13
14	Monroe Catholic Central	7
0	Jackson Parkside	0
33	St. Mary's	7

St. John's opened it's '64 season with a tremendous show of offensive and an equally strong defense. The Gaels, while rolling up 277 yards on offense, limited Okemos to only 117 yards. The game unveiled a very versatile backfield, led by Tom Goodwin with three TD's, and John Powers, Fran Querbach and Howard Murphy all sharing in the scoring.

All-state center Greg Santanski contrives a "piggy-back" tackle against Albion.

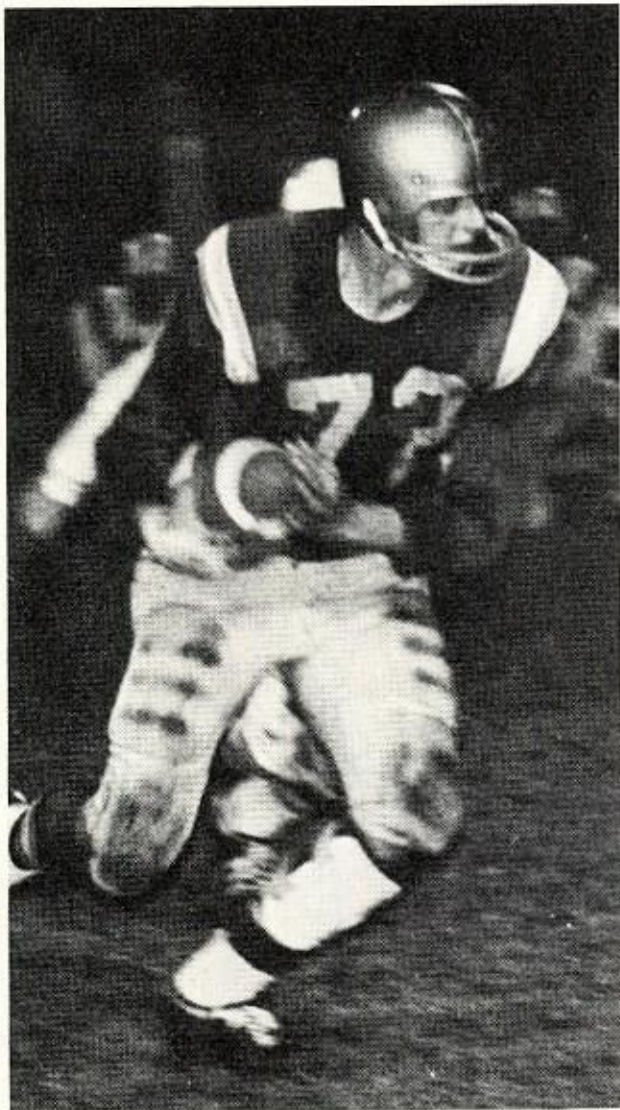

Goodwin closes in for the kill.

The Gaels game with Kalamazoo Hackett produced early game scoring. A two yard plunge by Bob Johnson, a 28 yard pass from Tom Goodwin to Jim Bretes, and a 65 yard interception by Ed Jablonski showed this. The Irish retaliated in the second half and scored three quick touchdowns, two via the air route and the other on a five yard run. The Gaels met their challenge and scored a touchdown on a 35 yard pass play.

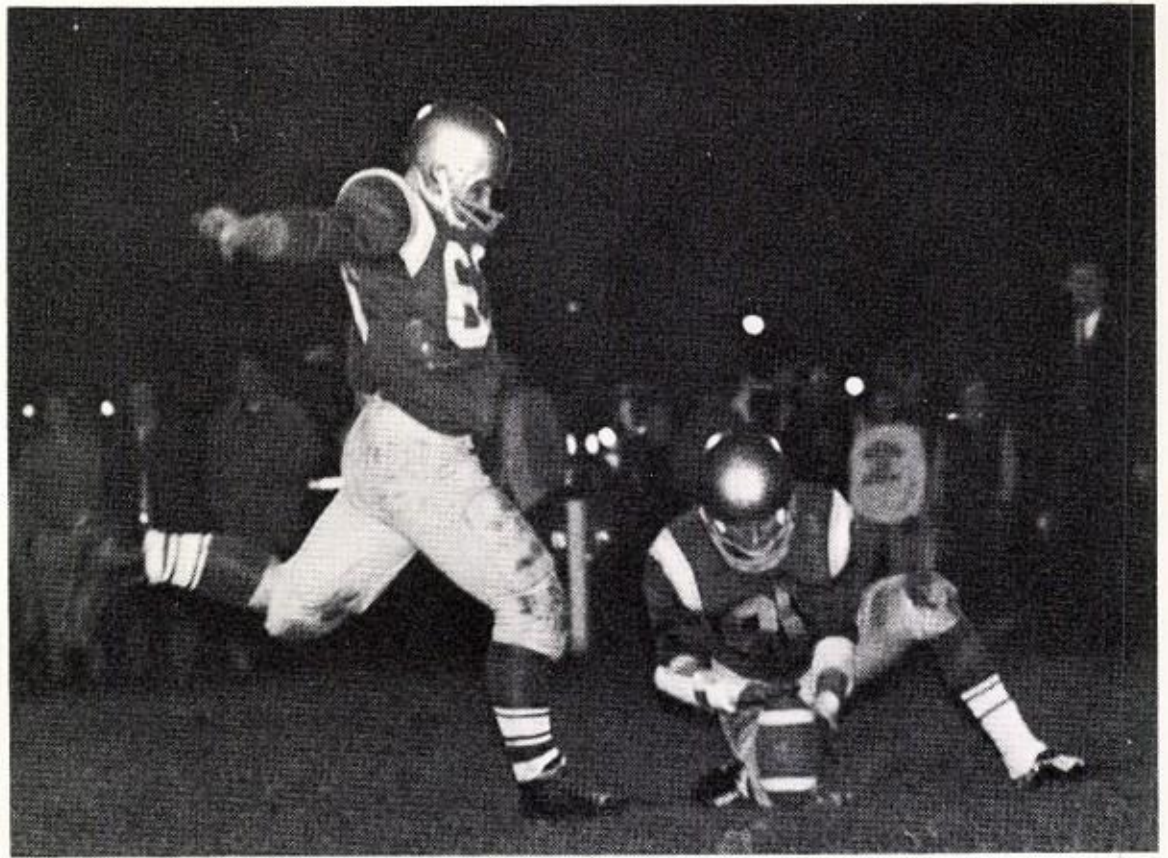

End Jim Bretes clenches a pass from Johnson for a touchdown against Kalamazoo.

Ed Jablonski intercepts a Hackett pass and scampers for a TD in a "Lineman's Dream."

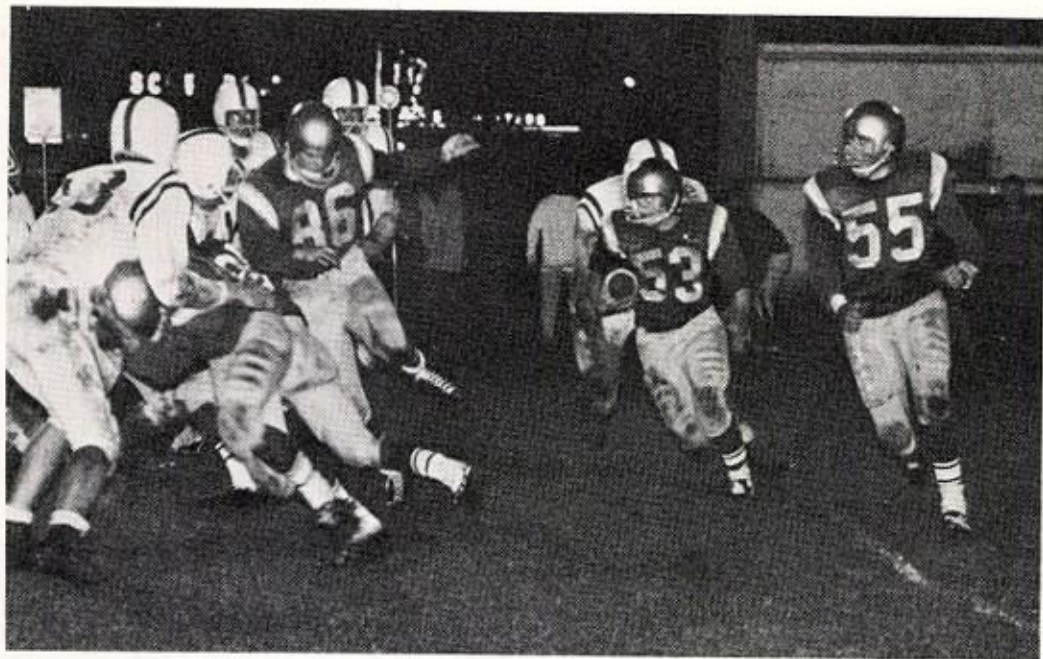

The Gaels unbeaten streak of eighteen games was snapped by the Wildcats of Albion in the fifth game of the year. The first half was strictly a defensive battle with the score 0 to 0 at the half. But in the second half, Albion broke the game wide open. With 7:01 remaining in the third period Albion raced wide and scampered 58 yards with the first T.D. of the half on a 30 yard pass interception and their final marker on a 25 yard pass to Karl Wilson.

Dick Dalton puts the toe to one of many extra points.

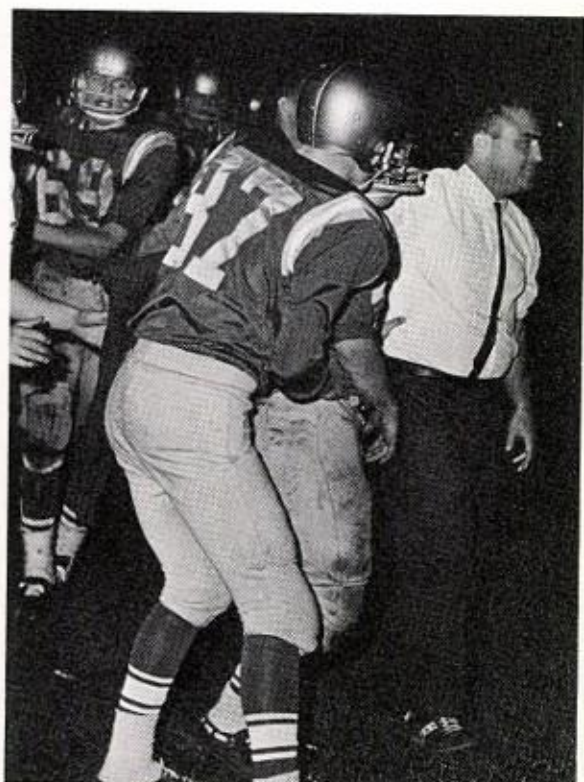

Behind fine blocking, Howard Murphy cuts up field for a first down.

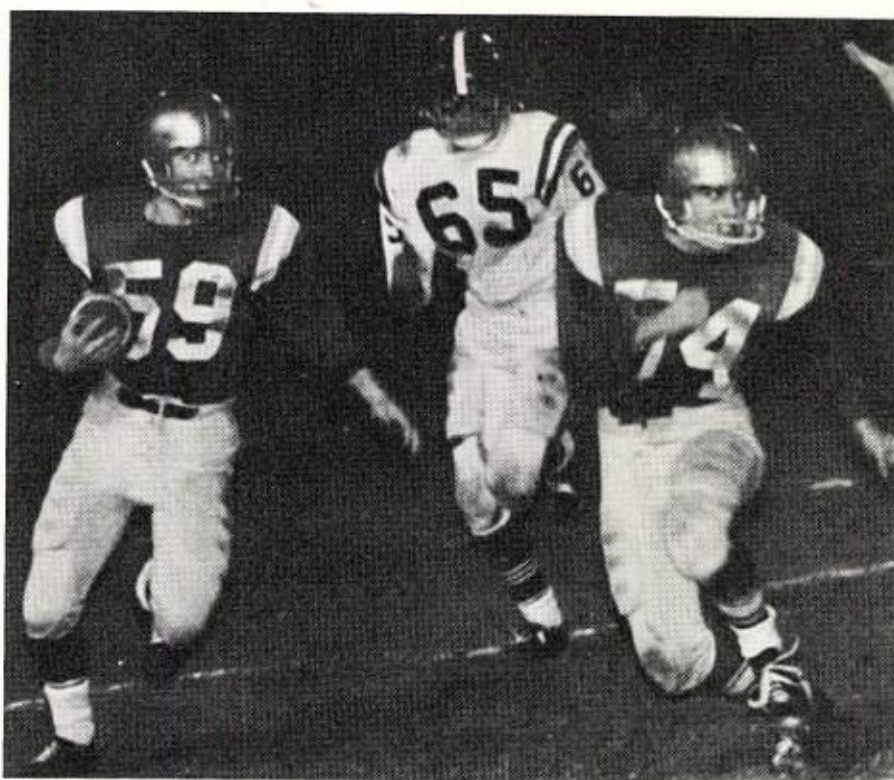

The Gaels, showing a solid ground and an aggressive defense paved the way for a 14 to 7 win over Monroe Catholic Central. The Falcons scored the first time they had the ball to throw a quick scare into the Gaels who rallied to score twice in the second quarter which proved to be enough. The game ended 14 to 7, with the second half being scoreless.

Bob Johnson picks up short yardage behind a wall of Gael blockers.

The players wait intently for instructions from Mr. Crowley.

Tom Galardi gets good protection from Mike McCarthy as Rab's Raiders get their chance against Monroe.

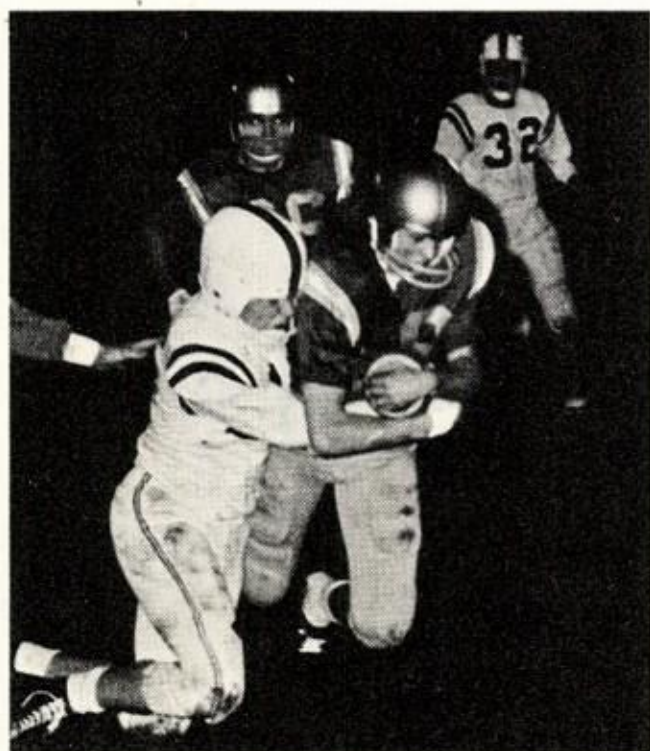

Jim Bretes "bulls" his way into the end zone.

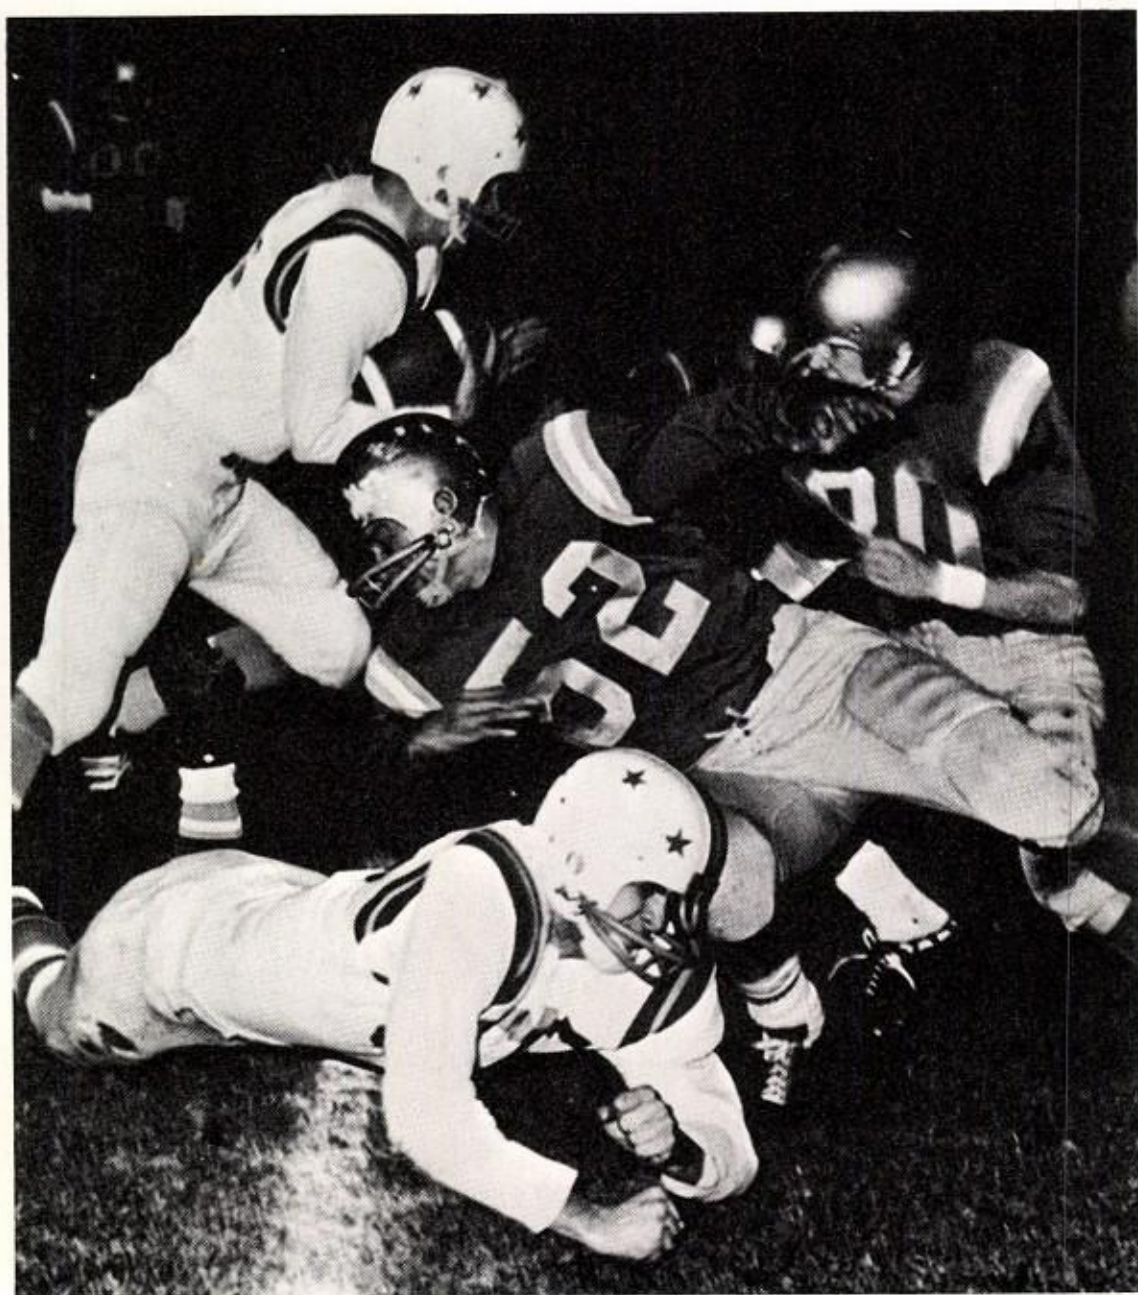

Fran Querbach twists out of the grasp of a Techrmse defender to pick up the first down.

The first game in history between Saint John's and Parkside produced one of the hardest hitting games in the town's history only to come out a scoreless tie. The game produced some very exciting plays with Saint John's outrushing the Eagles 131 to 65 yards but Parkside came out on top with the passing 57 to 23 yards.

End Mike Timmons bulls his way for a first down after a short pass.

In the final and most important game of the year the Gaels scored a resounding 33 to 7 win over the Celts of Saint Marys. The Gaels hard charging line led by Greg Satanski and Jim Bretes held the Celts to eight yards rushing and 89 yards passing and one touchdown while the offense opened up and scored five times. Howard Murphy scored from the three yard line, Tom Goodwin tossed a 17 yard scoring pass to Jim Bretes, Goodwin then ran ten yards to score and that ended the first half. In the third quarter Murphy slanted over from the nine and Pete Powers punched over from the five to cap a perfect night, evening the series to 16 games each.

Pete Powers and Buff Lefere close in to throw him for a five yard loss.

Bill and Kenvin set it up against River Rouge.

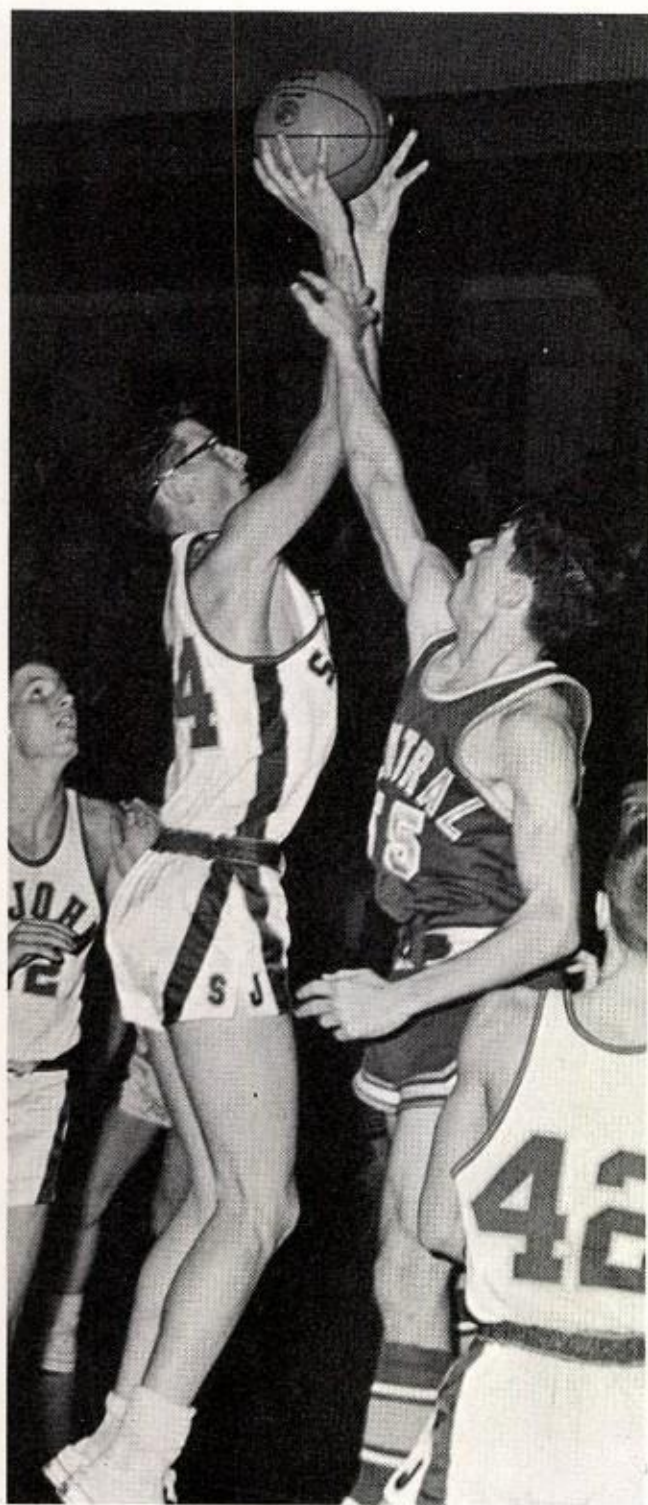

Mike looks to start fast break.

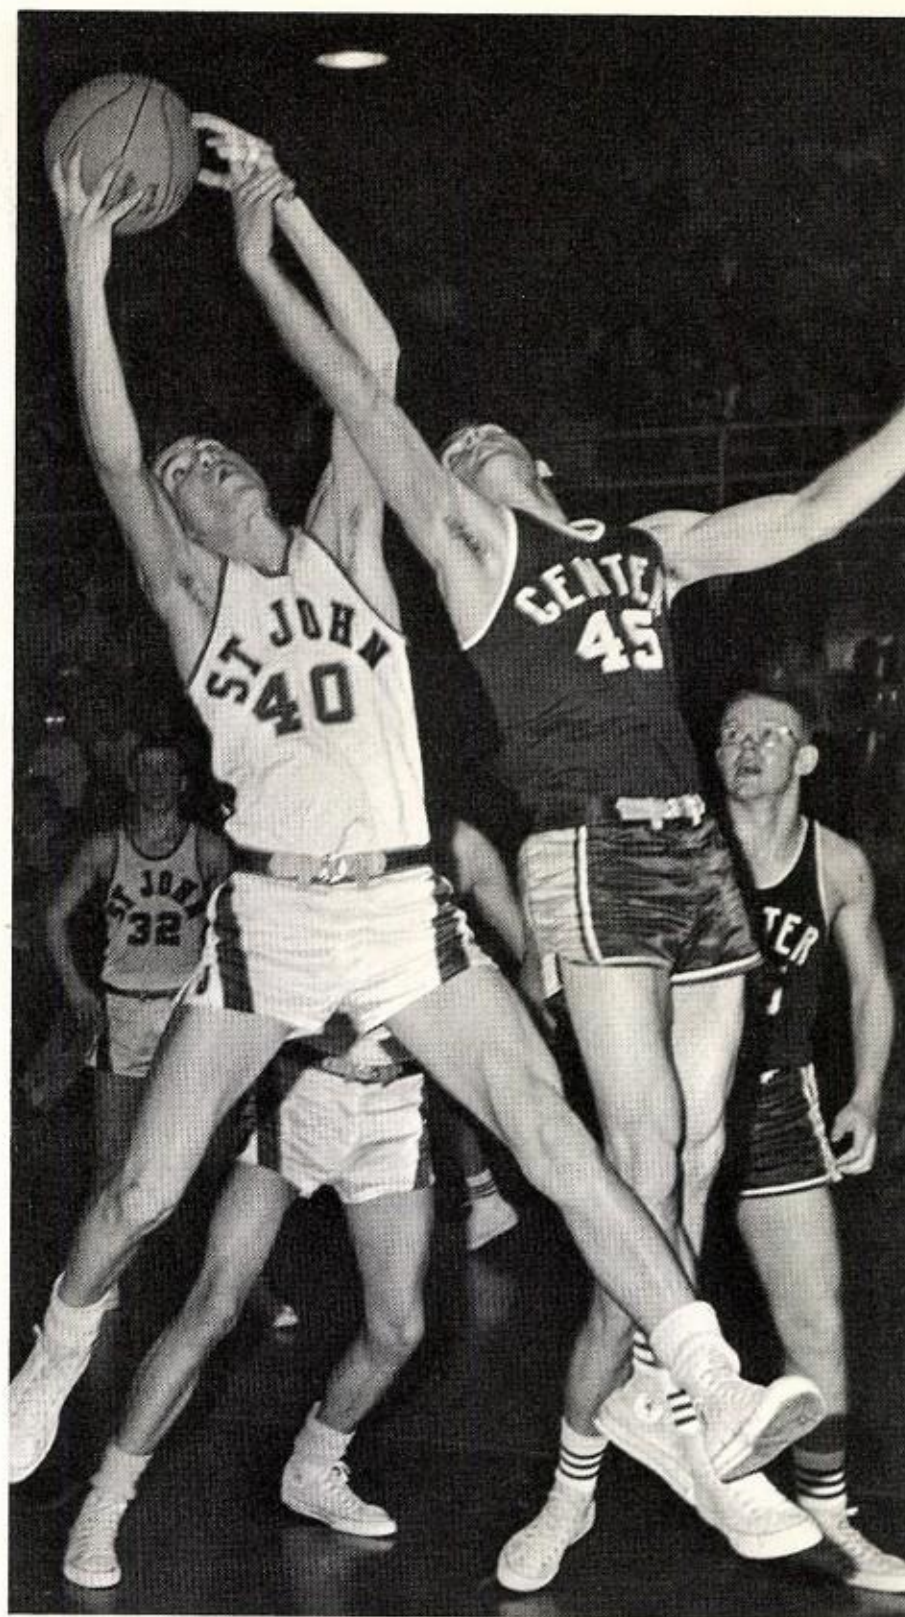

Dave lays it up in victory over East Jackson.

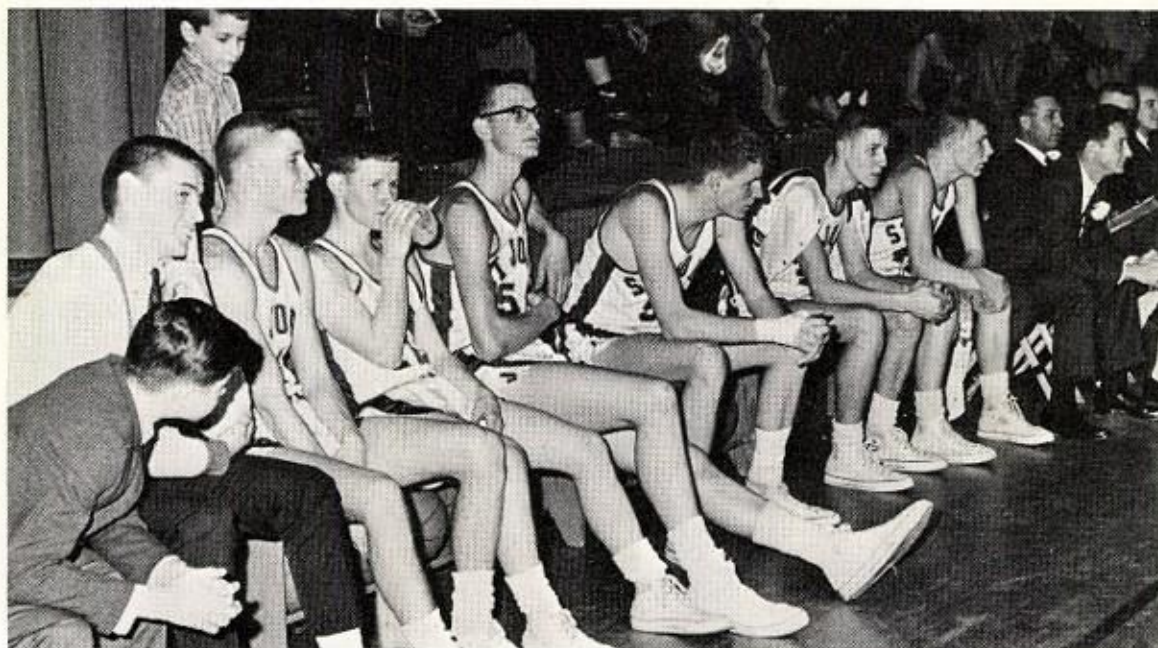

Because of the satisfactory record of the past basketball season, the Gaels will always be able to look back and be proud of the fine job they did. A part of this spirit should go to our great coach Mr. Justin Perticone, a man who although had only one starter returning, built a big strong team. This team turned out to be one of our best. Out of undying effort and great team unity our mighty Gaels produced a 15-5 record, loosing twice to powerful River Rouge, Albion and once to Okemos. Hats off to out team and coach!

Joe hits for two.

Grab that rebound Pat!

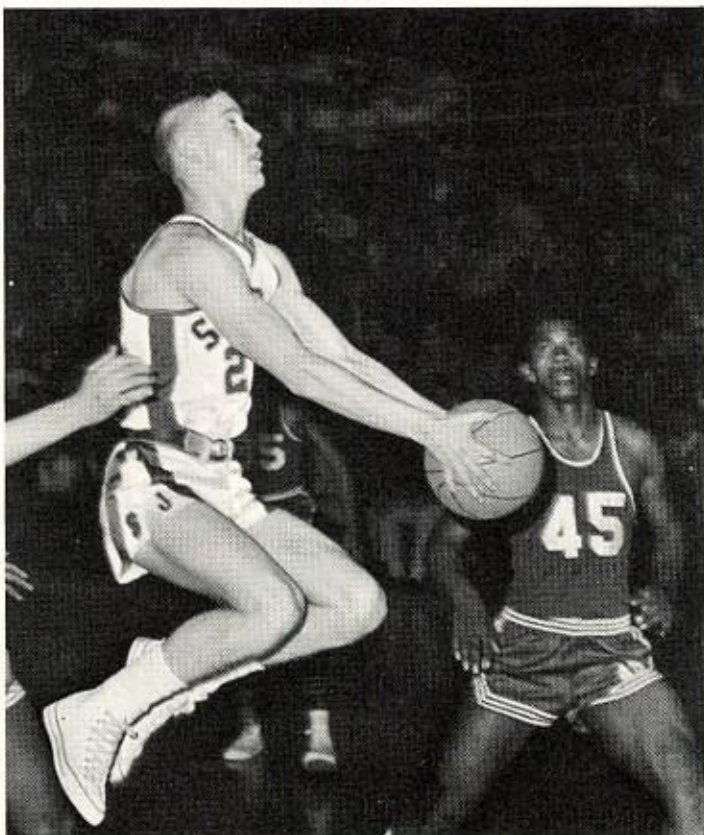

The players enjoy the last few seconds of a successful game.

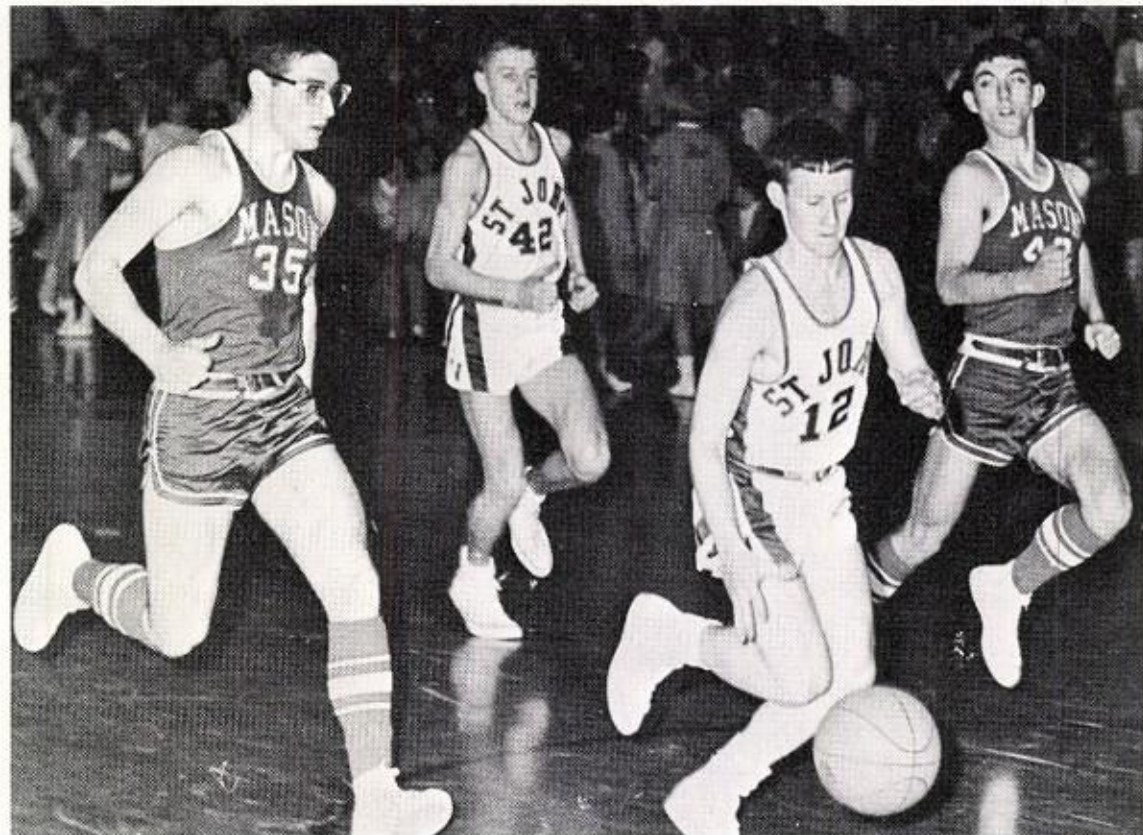

Fred hits for two in the Victory over Monroe.

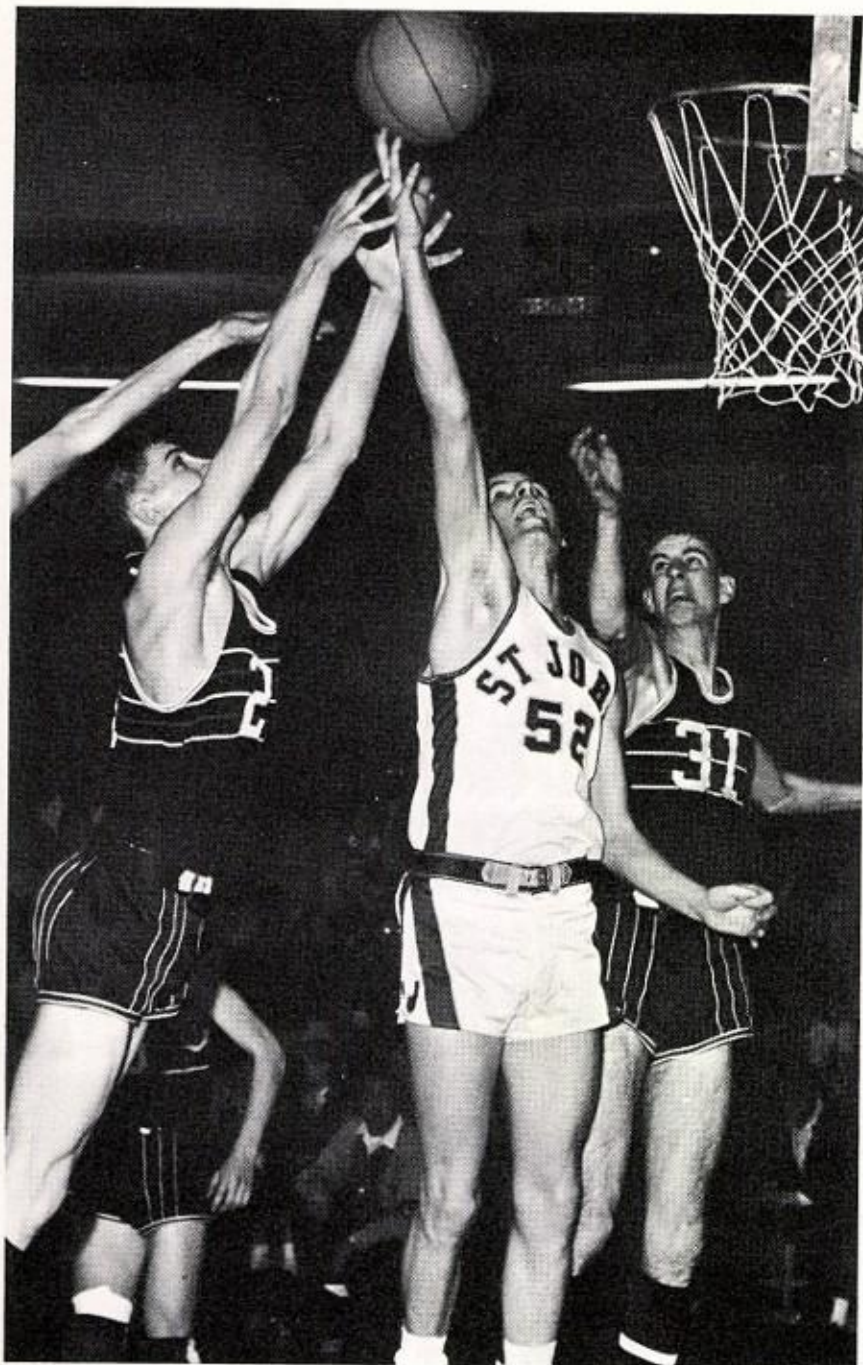

Gaels hussle after a loose ball.

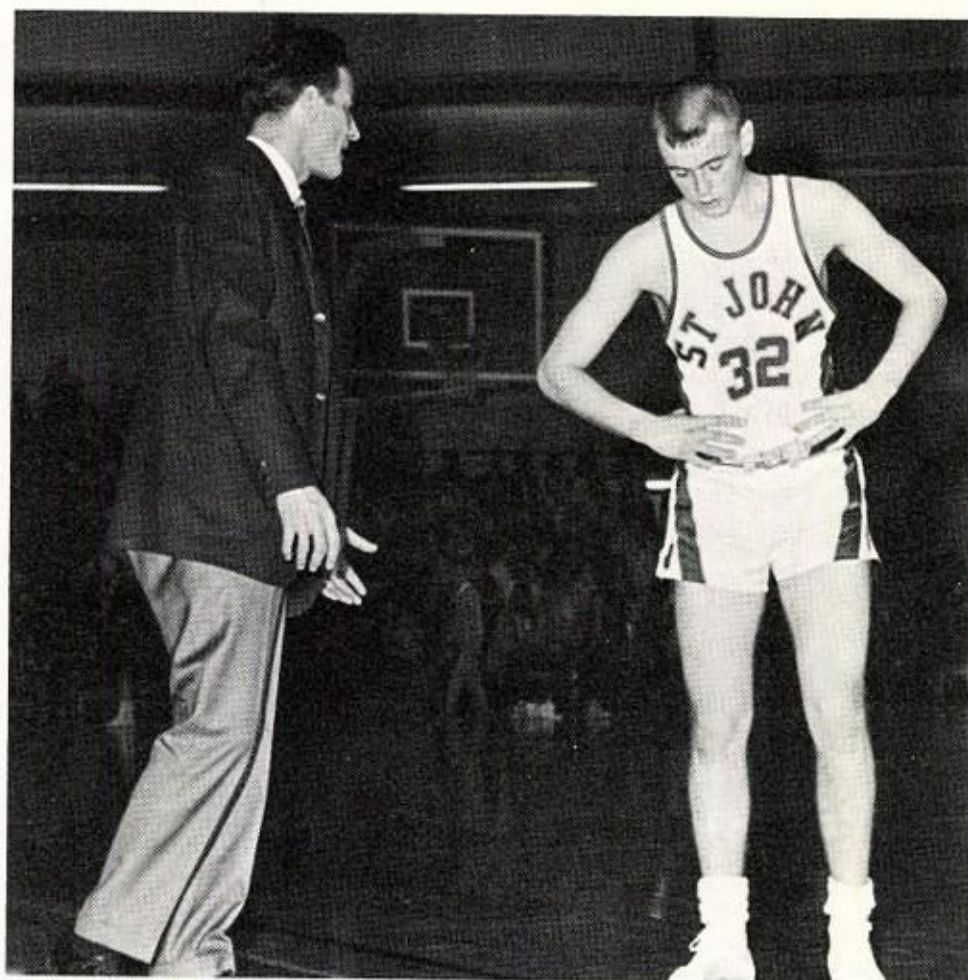

Buff drives for a bucket against Albion.

Bill leads on fast break.

Dave gets the tip against Saint Marys.

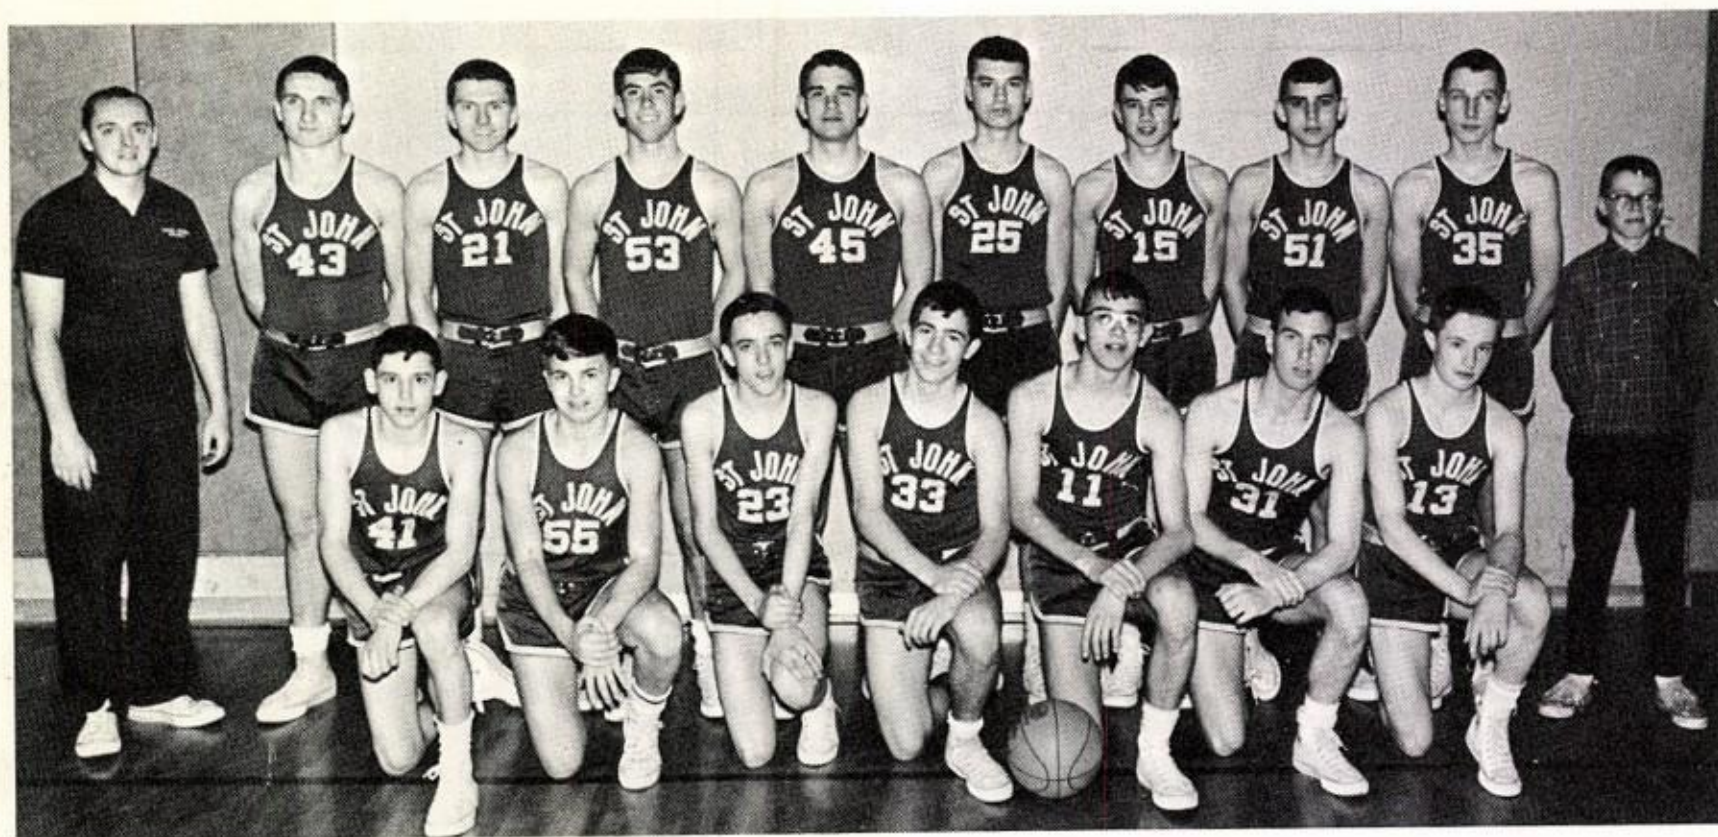

Coach Perticone gives instructions to Mike Timmons.

Coach Perticone congratulates the team after their victory in the Districts.

The Gaels of the hardwood floor finished a very successful season by winning the District title in a very easy manner. In the opener we defeated East Jackson 68-50 and in the final Michigan Center game 62-48 to chop the District title. They then advanced to the Regionals and defeated Dexter 52-50 in the opener at Bowen Field House. The Gaels then ran into State Champions River Rouge and ended their season, but only after giving the Panthers the battle of their lives, loosing 55 to 50.

As the game starts off Coach Danial Atkin gives Ron Desnoyer a few hints to bring home a victory.

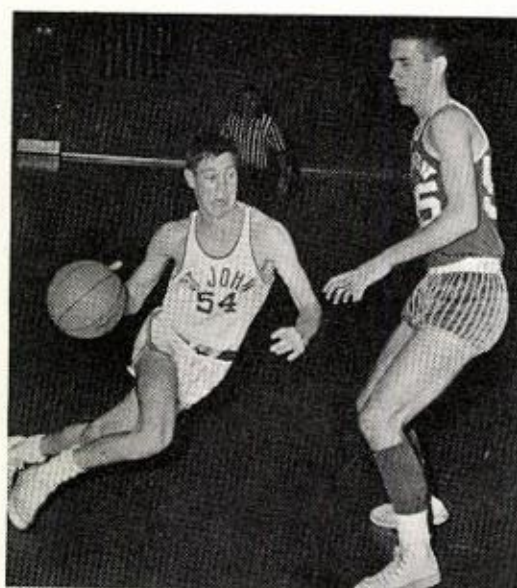

Jerry Sykes fights for a loose ball.

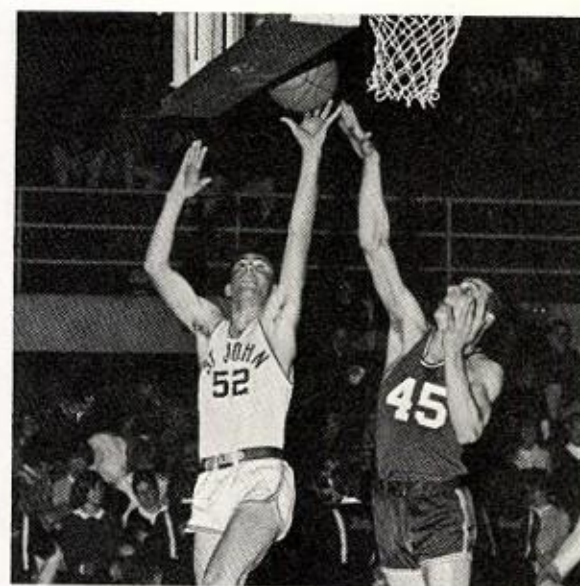

Dick Walicki hauls in a rebound.

Ron Desnoyer lays one in against Mason.

Tom Lefere drives for two against Albion.

Mike Keena tries for two.

The Junior Varsity Team under Coach Daniel Atkin complied a fine 13-6 record in the 1964-65 season. The little Gaels won the East Jackson Christmas Tournament to bring home the first trophy of the year. The team showed great promise for the coming years.

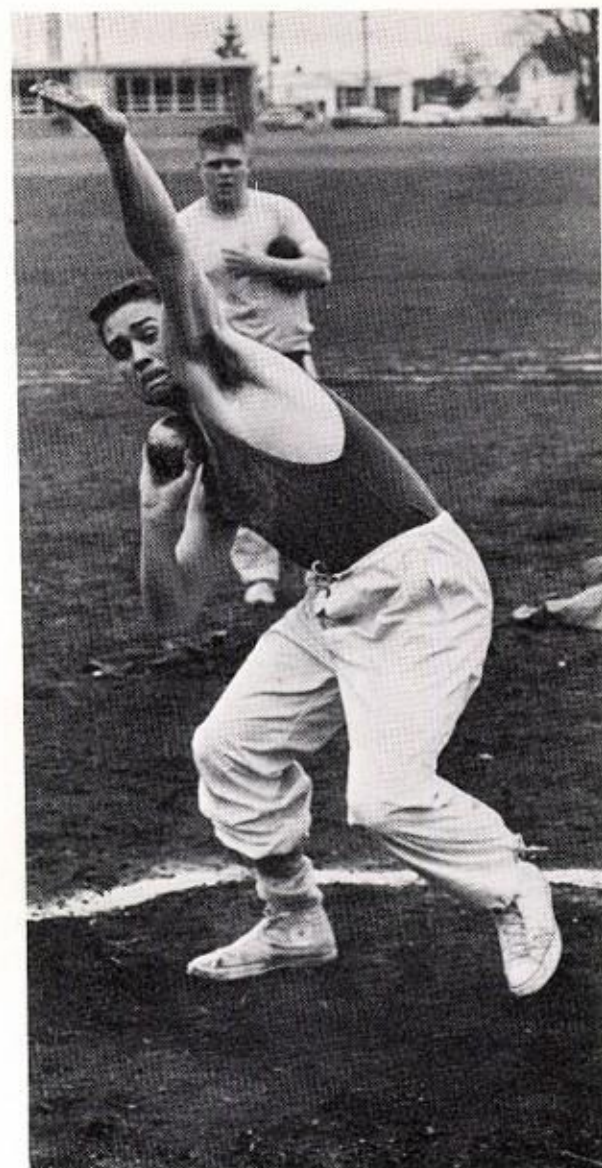

Mr. Crowley shouts encouragement to Ed Jablonski at the end of the 440.

TRACK

Although our track team lacked any individual stars they did bring a trophy home through team depth. Perseverance in show by the many miles they ran each night to strain their bodies to the greatest capacity. Through constant coaching by Mr. Crowley, Mr. Perticone, and Mr. Atkins there seems to be plenty of talent for future years.

Muscles straining, Mike McCarthy pulls himself over the bar.

A determined Dick Walicki prepares to put 12 pounds of steel into orbit.

Bob Drongowski passes the baton to Ed Jablonski in the mile relay.

Golf

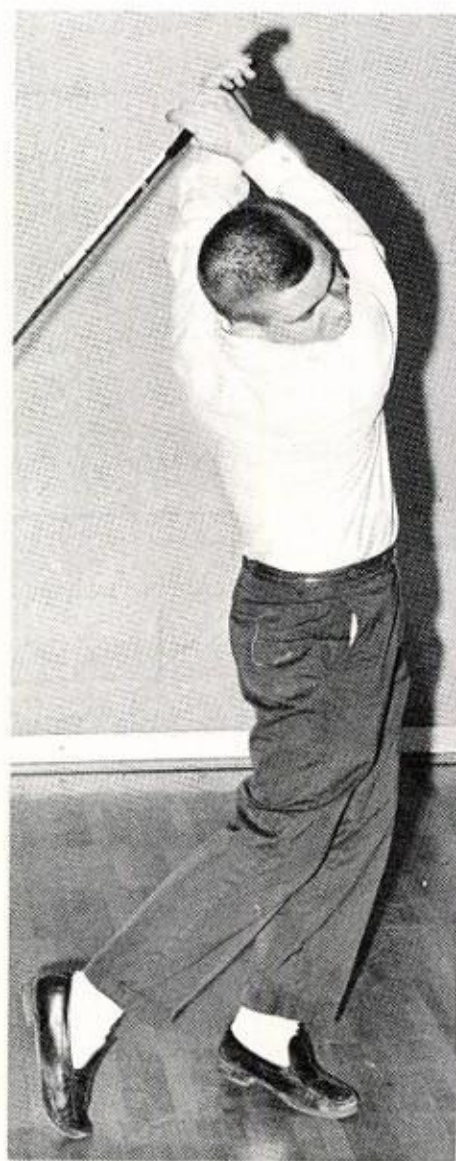

The Golf team, L. to R.; Coach, Justine Perticone, Ron Potok, Frank Krist, John Bush, Bill Tuttle, and Bob Johnson display the trophies they won.

The Golf team of '64 proved to be the best team the school has ever produced, winning the regionals and finishing second in the state for the finest showing ever. The Gaels show great promise for the coming season with four returning members of last year's team. We only hope their season can be as successful as last year's and possibly a long awaited State Championship.

SENIORS

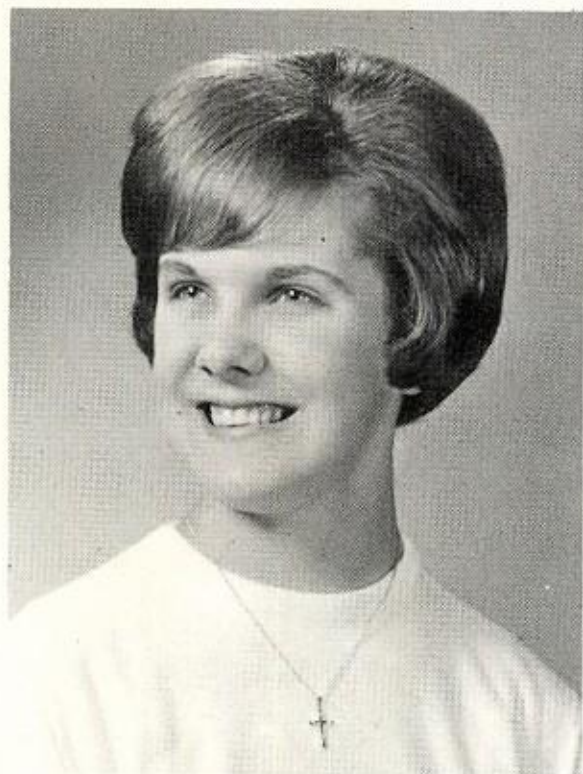

For the Senior Class their high school years are drawing to a close. No more will they sit as a student in the cheering section at basketball and football games. All class activities are coming to an end, but a vast number of new exploits are yet to be pursued. So we leave with the feeling of regret, but with a spirit of adventure.

Graduation Day
June 6, 1965

Dear Mom and Dad,

As we recall all the memories of the preceding years, we, the senior class, cannot help but think of the two most important people who made all this possible. Mom and Dad, ever since childhood you were there with the excellent advice needed to mold us into men and women of character.

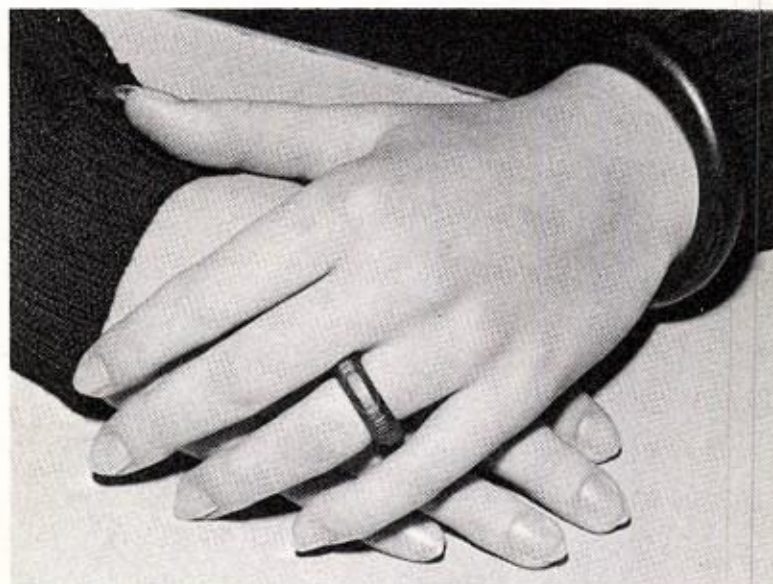

Without your tolerance, your sympathy, and your guidance, the responsibilities of life would be too great. As we approach the future our personalities tend to form the qualities that we admire so much in you.

Lovingly yours,
Your Children

As Times Change, so do

Everything was madras, as displayed here in the popular parkas.

Tourniquet rings were considered "in" by all the gals.

Newly introduced patterned nylons create quite a stir in the world of fashion.

As they say, "styles repeat themselves," and shoulder purses truly confirmed this belief.

Hardly a day passed without seeing guys roaming the halls in chuck-a-boots and white levi's.

Styles: Fads of '65

Although the hairstyles are considered straight, most girls add a little curl to accentuate their facial features.

Bench-warmers were a fashion craze that hit campuses throughout the state.

Cut-out loafers are great, but we wouldn't recommend them for "puddle jumping."

The Yearbook Staff accepts opinions from everyone in choosing pics that will be the most impressive.

The underclassmen on the staff are, seated, Andy Dotterweich and Bonnie Rose; standing, Chris Stewart, Mary Kay Bamm (center back) and Janet Moran.

The Staff would like to take time out to present themselves. It will be somewhat impossible to tag our members with specific work that they did at the meetings throughout the year, because jobs were shared by all. For instance, Steve would take his crack at copy writing and layouts, while Julie co-ordinated photography with typing and art. There have been times when we would have liked to dump the whole mess into the basket, but our reward is the many people we have made just a little bit happier and the fact that we recorded an entire year in pictures and print. In spite of our late hours, cold dinners, and numerous demands on time, we're proud of our work and only hope you share a little of our resolved enthusiasm for "your yearbook."

Yearbook Staff Is Grateful

The Yearbook Staff would like to say a big thank-you to all those persons who had a hand in helping us complete this 1965 edition. Countless favors were given, along with many encouraging expressions which compelled us to keep the operation going. Among those that deserve special mention are: Our wonderful patrons, on whom the financial burden was placed; Dunhanna Studios for their valuable time spent on photography; Mr. Jim Spaulding, our good friend and representative from Edwards Brothers, who was always there to answer our questions and quiet our fears which we confronted him with; and our faculty for their precious tolerance that was so very important to meet those last minute deadlines.

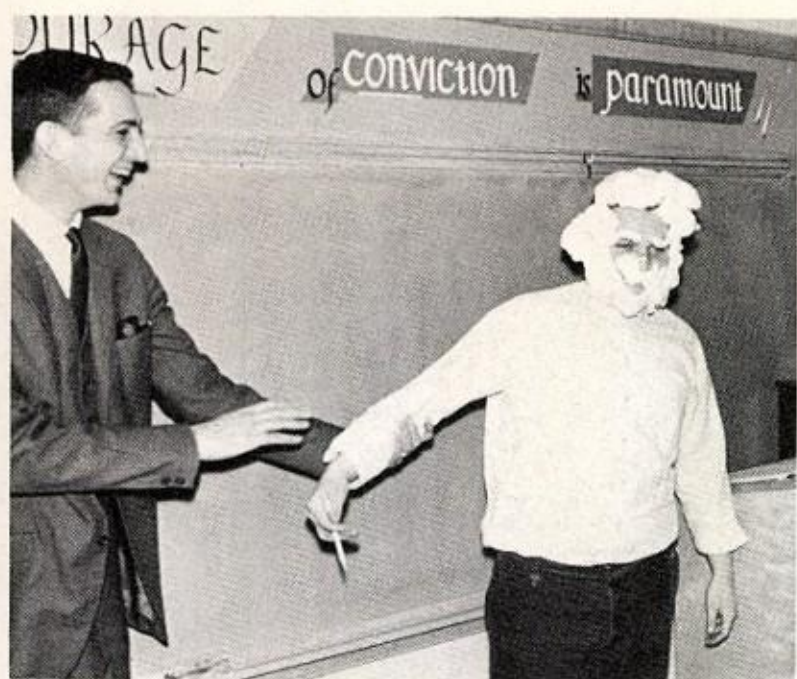

Advisor—Mrs. Bert Tuttle

Senior Staff Members are: seated, Marybeth Thorrez, Mrs. Tuttle. Standing L. to R., Julie DesNoyer, Steve O'Connell, Ellen Sponsler and Karen Heinzman. Not present, Bob Johnson.
